Dear Sir or Madam:

This is a request under the federal Freedom of Information Act, as amended, 5 USC 552.

I am seeking a copy of the CIA inspector general's investigation into the agency's performance leading up to Sept. 11, 2001. This was the report requested by the joint congressional inquiry into the attacks and delivered to Congress in August.

I am requesting this information for the purpose of possible public dissemination in a news article and therefore request that you waive charges pursuant to 5 USC 552 (a) (4) (A), Fed. Reg. 7296, Section 1900.25. I am a full-time journalist employed by The Associated Press. If you deny this request for a waiver, please advise me in advance of the estimated charges so that I may decide whether to pay the fees or appeal your denial of my request for a waiver of charges.

Because I am making this request in the capacity of a journalist and this information is of timely value, I am requesting that you consider this request on an expedited basis. As a member of the media, the Associated Press needs the information urgently to inform the public on pressing issues related to U.S. counterterrorism efforts. The report has been the subject of numerous news reports, congressional debate and closed government briefings. The public deserves an opportunity to better understand these horrible attacks, which dramatically changed the government's priorities.

I would appreciate your communicating with me by telephone, rather than by mail, if you have any questions regarding this request. My number is

Thank you for your assistance, and I will look forward to receiving your reply as soon as possible.

Sincerely,
